

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF KENTUCKY
AT PADUCAH**

UNITED STATES OF AMERICA

PLAINTIFF

v.

Electronically Filed
CRIMINAL ACTION NO. 5:06 CR-00019-R

STEVEN D. GREEN

DEFENDANT

UNITED STATES' MOTION FOR EXTENSION OF TIME

Comes the United States of America, by counsel, and moves the Court for an extension of time in which the United States must file a response to the Court's Order requiring the government to provide more specific information on the nature of the victim impact evidence the United States expects to introduce in the trial of this case. The United States is currently engaged in communication with the appropriate officials in the Iraqi government to obtain this information. Additional time is necessary for the United States to obtain the information necessary to respond to the Court's Order.

Because the United States received the expert witness disclosures from Green on September 15, 2008, it is requested that the United States be permitted an extension of time within which to file any pretrial motions related to this evidence.

Wherefore, on the basis of the aforementioned matters, the United States respectfully requests an extension through November 3, 2008 to: 1) respond to the Court's Order requiring the United States to provide more specific victim impact information, and 2) to file any pretrial motions.

Respectfully submitted,

DAVID L. HUBER
UNITED STATES ATTORNEY
